Dear Parents

You may or may not be aware that in the summer of 2017 English and Mathematics will no longer be awarding GCSE grades in letter form but will be using numerical grades instead. As this will affect our present year 10s both subjects have decided to move to the numerical system straight away. This is why you will see mostly letter grades for progress and targets on this report apart from English and Maths.

Below you will see two charts that show how the two systems compare.

If you have any queries regarding these changes please do not hesitate to contact the relevant subject leader on 05241 842210

Mr Stephen Watson
Senior Assistant Headteacher
