

15th June 2017

Dear Parents

You may or may not be aware that in the summer of 2018 the vast majority of subjects will no longer be awarding GCSE grades in letter form but will be using numerical grades instead. However, Resistant Materials and Child Development have not moved over to the new system and will remain letter grades for the two year course.

Below you will see two charts that show examples of how the two systems compare.

If you have any queries regarding these changes please do not hesitate to contact the relevant subject leader on 05241 842210

Mr Stephen Watson
Senior Assistant Headteacher
